*"The name The Wishing Tree comes from childhood days. As children, we were convinced by our parents that if we made a wish under this beautiful old Oak tree, it would become true.*

*As I recall it did work on occasion!" - Nick Haselgrove*

### Winemaking:

All fruit sourced from established vineyards in the Greater Appellation of "Adelaide" which incorporates the Appellations of Barossa & Clare Valley's, McLaren Vale & the Adelaide Hills.

The fruit for this un-oaked Chardonnay is sourced from higher elevation vineyards.

The diverse fruit characters from each vineyard combine to produce a fresh & complex wine.

Fermented & cold stabilized in steel tanks, sur lees.

### Tasting notes:

Bright and fresh with green color and light straw tint. Youthful. An aromatic style with light tropical fruit and light peach, melon with a green apple edge. Medium palate weight with bright green fruits and a citric, lime juice nuance. Subtle texture on the palate adds a deliciousness and a fresh clean finish.
